OUR SERVICE

Security Guards

We are offering 24/7 Service to our valued clients. Our Prabhukripa Solutions Private Limited are highly trained by our experts and offer best services. Apart from this, we also offer rapid Corroborations of our expert Guards in any emergency situation. The services offered by us are known for flexibility, reliability and responsibility. A Physical guarding service is based on the support and communications between internal, site and operations managers. Our well trained security guards help to maintain and to create "well secure" environment for the management and employees by their manners and etiquettes, round the clock surveillance on the perimeter and internal assets, information sharing and communication skills.

Bouncers

The bouncers are mostly engaged to protect the events, summit, or meetings that happen at the resorts, night clubs, or any other venues, mostly outdoor locations. Bouncers from Prabhukripa Security are all well-built, uniformed, and trained to handle the crowds and the party behavior during late nights. The bouncers will be provided with modern gadgets and sometimes arms and equipments to protect the large crowd gathered. Our bouncers will check the legal age and will ask for an age proof or documentation to check the entrance of minors. Having Security arrangements in all such places is very crucial and Intelligence Security Services have all solution for such situation. We can provide bouncers in an event & our services can be completely customized as per client's requirement.

Armed and Unarmed Security

Prabhukripa Solutions Private Limited offers both armed and unarmed security guard services. Available 24/7, you will find our carefully recruited security officers to be professional, responsive, and reliable. We will work with you to determine the appropriate level of protection, understanding that each client's situation is unique and can change at any time. All of our security officers must pass a background investigation that includes criminal, credit, and reference checks and drug screening. They must be of sound character, demonstrate good judgment, and present a neat and professional appearance.

Man Power Supplies

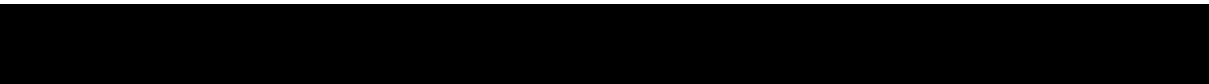

Manpower is the prime driving force behind any successful venture. It is the availability of quality manpower at a reasonable price that often determines the profitability and success of a business. Sourcing of manpower is one of the biggest challenges faced by an organisation because it is time consuming and involves considerable efforts. It is due to this reason that manpower supply is usually outsourced to contractors who are specialised in supplying human resources. They recruit and train individuals from various locations and make their labour available to businesses at their factories or offices.

House Keeping

We offer our clients professional housekeeping services. The different types of services that we offer are cleaning & housekeeping services, office housekeeping services, apartment housekeeping services, corporate housekeeping services, include Domestic & official housekeeping services provide by MNC, also provide vacuum service like cars, sofa chair, carpet, curtain fans, valuable furniture etc...

Events

Event management begins with the booking of talent and venue, but ultimately entails so much more. From arranging location, to securing contract details, event management specialists know how to take care of the details. We can help recommend talent according to the type of crowd you wish to draw, and help you figure out how best to stretch your budget.
